

From the desk of Ken® Carson

My Best Man Candidates—

Allan-We met in college in 1964 and became buddies. We wore each others' clothes and were inseparable. We grew apart in 1968 as Allan spent time with Barbie®'s friend Midge and I became interested in the gym. Then in 1991 I was asked to be in his wedding to Midge as Best Man. Should I return the favor? Status: Married w/family.

Blaine- My greatest nemesis since 2004. It was probably Blaine's sun-bleached haired and the surf-bronzed skin that caught Barbie®'s eye. Or maybe his Aussie accent? Regardless, she dumped me for him. However, I won her back leaving Blaine only with his narcissism to love. But Blaine's sister Summer is a bridesmaid and Barbie® is insistent that we let bygones be bygones. Status: Total Player.

Bobby-After the "Rockers" disbanded, Barbie® started a new band called "Barbie® and the BiBops" in 1988 which was inspired by '50's music with hints of the current musical genre. On location in France, Bobby stepped in as my replacement. The one thing Bobby always knows is what the current-trend fashions and hairstyles are. Totally cutting-edge, romantic and (Status): decidedly single.

Derek-Barbie® and my former "Rockers" band mate and video co-star from 1986. Like some of my other friends, we lost touch shortly afterwards, but Derek makes me reminisce about some great times we had on the road in the Hot Rockin' van and letting it all hang out techno-neon style. Status: As far a commitments go, Derek is married to his music and the rock star lifestyle.

Steven-After Derek and I lost touch, my most continuous longest friend Steven and I met in 1988. Steven is my beach bud. We go as often as possible and to be quite frank, I have never seen him wear anything but a swim suit. Status: When I met Steven he was inseparable with Barbie's friend Christie, but for the last few years he has only been seen with her younger sister Nikki.
