

# Party man

*The event we have all been waiting for has finally arrived: Ken<sup>®</sup>vention 2012. There is finally a convention honoring the coolest dude in the world. I really don't know what took so long. Barbie<sup>®</sup> has had one forever. I know my convention is going to be better than hers ever was because my friends and I know how to party. Now off to the Kon Tiki Lounge!*

How embarrassing. We're wearing the same outfit and she looks better in it than me.

I asked for a drink,  
not a bath.  
Waiter!!!

I'm the hottest guy in the room. Burp!

I should have waited for a smaller drink.

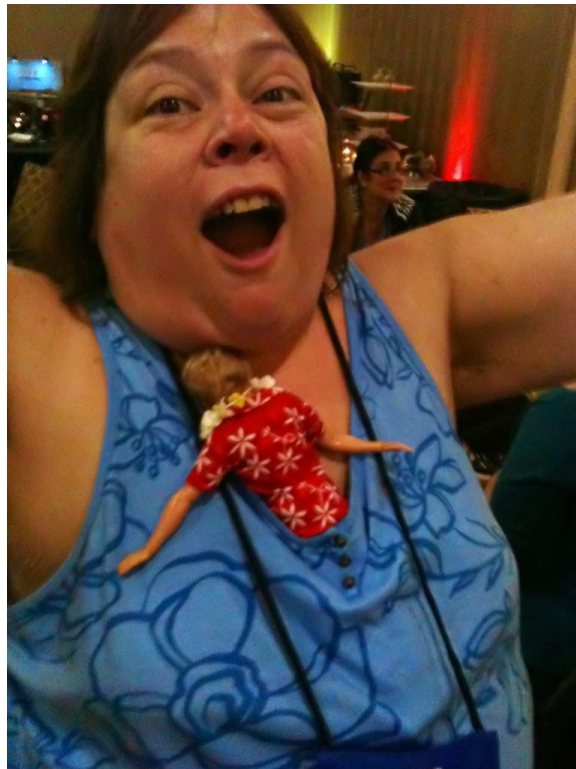

***The women were everywhere and they  
wanted one thing. Me!!!***

Hey, I just met you,  
And this is crazy,  
But here's my number,  
So call me, maybe?

I've met aggressive  
women before, but this is  
excessive. Oops! I just  
lost a flip-flop.

I feel like a piece of meat. I kind of like it.

What's up with the face?  
That cannot have been  
the worst line you've  
every heard.

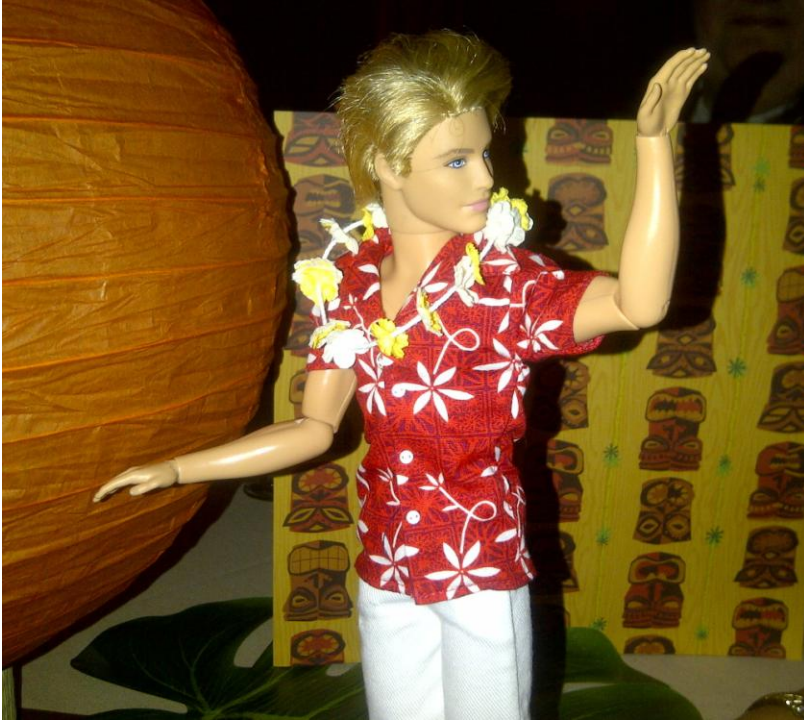

I hope this leads to  
the roof.

I'm never going to  
see that shoe  
again.

I should be  
safe here for a  
while.

***After a quick rest, I was ready for more.***

When your name is on the convention, you can walk like an Egyptian at a tropical themed event and no one will say a word.
